Gibbie,

I wanted to thank you for providing Campbell Ditto with an exceptional internship opportunity.

I hope her experience was as beneficial for Xplosive Edge as it was for her. Your partnership in providing unique learning experiences for students at the University of Nebraska at Omaha is very much appreciated.

THANK YOU!

Mr. Duval:

I sincerely thank you for allowing me to work as an intern this semester at Xplosive Edge. It was a very fun and educational experience. I loved working with and getting to know you, Brent, Jake, and Eric, as well as the athletes. The relationships I built throughout my time here have become very meaningful to me. I learned a lot from all of you and am thankful for the time that you all invested in me to make me better and prepare me for a successful future. Xplosive Edge is truly an amazing and unique business that values each individual athlete, building good relationships and advancing them to both greater performance in both athletics and in life.

I also want to thank you for the job position that I was offered. I am honored that you asked and if I could stay in Omaha I would have loved to continue working with you. I will be beginning building my career and I hope that I can use you as a reference in my future endeavors.

Again, I truly enjoyed expanding my knowledge and experience at Xplosive Edge and I hope we can stay in touch. Thank you for such a great experience.

Sincerely,

Campbell Ritts
